33 Yrs. I remember on
a London O.S. Show. I met
a man from Windsor. I
spoke to him, and said why
Don't you start a Soc in
Windsor. I will come out with
slides and orchids. A few
month later I got a letter
that they started a soc meet
My wife Mary and I went there
with orchids and talk to
about a dozen people. From
there on we went monthly
